

## **ebrary Academic Complete**

From January 2010, the National Library of the CR (NL) provides access to Academic Complete, a highly interactive full-text eBook database from ebrary® that covers all academic subject areas. The collection currently includes more than **43 900** titles from more than 220 of the world's leading academic, STM, and professional publishers. This comprehensive collection includes, among others, the following key subject areas:

- History and Political Science
- Economics and Management
- Linguistics and Literary Science
- Law and International Relations
- Natural Sciences
- Psychology
- Religion and Philosophy
- Social Science and Anthropology

The included titles are not only from American and British University publishers (Yale University Press, University of California Press, Oxford University Press, Cambridge University Press, Manchester University Press etc.), but also from other renowned publishers of scientific literature (Brill Academic Publisher, Greenwood Press, John Benjamins Publishing, Kluwer Academic Publishing, Springer and many others). The number of titles continues to grow at no additional cost to customers throughout the subscription term, i.e. at present until the end of 2012.

Licence conditions ensure:

- remote access for all registered NL users (more details in the Reference Centre or at: [http://www.nkp.cz/pages/page.php3?nazev=Licencovane\\_online\\_databaze&submenu3=104](http://www.nkp.cz/pages/page.php3?nazev=Licencovane_online_databaze&submenu3=104),
- access to the titles for any number of patrons, at the same time, from any computer with Internet access.
- easy-to-use interface,
- clear search,
- browse by subject categories,
- search in more electronic titles at the same time,
- print and copy in accordance with the "fair use" rules, corresponding with standard use of full-text databases,
- all titles from ebrary will soon be integrated in the NL electronic catalogue

Academic Complete is accessible thanks to **the support of the Ministry of Education, Youth and Sports of the CR** through the INFOZ Programme, Project VZ09006 - National Library of the CR - the security of electronic information resources for research, development and innovation.

Within this Project, the NL and other Czech libraries provide access to **EBSCO, OCLC FirstSearch, Wilson OmniFile Full Text Select Edition**, including **specialised sources of library and information science, music and music science**. The Project also supports services of ILL centres in the NL, the National Technical Library, the Library of the Academy of Sciences of the CR, and out of Prague in the Moravian Land Library in Brno and the Research Library in Olomouc.
