

User Manual - Connecting to the NK-HOSTE Wi-Fi Network

The NK-HOSTE Wi-Fi network is intended for guests - visitors and registered users (readers) of the National Library of the Czech Republic (hereinafter referred to as "NLC"). Below you will find instructions on how to connect to and use this wireless network.

1. Important notice

Registration and connection to the NK-HOSTE Wi-Fi is not linked to your NLC reader account.

2. Connecting to the network

- Open the Wi-Fi settings on your device (mobile phone, tablet, laptop).
- Select the NK-HOSTE network.
- Once connected, you will be automatically redirected to the login/registration page.

If the redirection does not happen automatically, open a web browser and try loading any page - this will activate the redirection.

3. Login and registration options

- You have three options on the login page:
-

A. New User - Registration

- Click on the Registration button.
- Fill in the required information:
 - Email address
 - Phone number.
 - Agree to the terms and conditions
- After submitting your information, you will receive a password to log in.
- You will be automatically connected to the network.

Please note: You may be required to re-enter your password after approximately 30 minutes.

B. Registered User – Login

- If you are already registered, simply log in using the email and password you entered.

Národní knihovna
České republiky
National Library
of the Czech Republic

C. Login via social networks

- You can also log in through your account on:
 - Facebook
 - Google
 - LinkedIn

The image displays three screenshots of a mobile web application interface for WiFi login and registration. The top status bar shows the time as 11:55 and LTE 68% signal. The browser address bar shows the URL 'fra.extremecloudiq.com' and 'NK-HOSTE'. The interface is titled 'WiFi' and 'Národní knihovna České republiky'.

Left Screenshot: PŘIHLÁŠENÍ (Login)
The login form has two input fields: 'E-MAIL*' and 'HESLO / PASSWORD*'. Below the fields are two buttons: 'Login' (blue) and 'Registration' (red). A small text 'Přihlaste se prosím Please login' is above the email field.

Middle Screenshot: REGISTRACE (Registration)
The registration form has three input fields: 'JMÉNO / NAME', 'E-MAIL*', and 'MOBILE*'. Below the fields are a checkbox for 'Souhlasím se smluvními podmínkami I Agree to the Terms of Service' and a 'Register' button (blue). A small text 'Zaregistrujte se prosím Please register' is above the name field.

Right Screenshot: Social Media Login
This section shows social media login options: '(nebo) Přihlaste se skrze (or) Login with' followed by Facebook, Google, and LinkedIn icons. A warning box states: 'VAROVÁNÍ WARNING Při poklích přihlašování přes Google zkuste otevřít tuto stránku v prohlížeči. If you have issues logging in with Google, open this page in a browser'. Below this is a 'Registrujte se nyní! / Register now!' button (black) and an illustration of a hand holding a smartphone.

Once registered (by any method), the connection is valid for 30 days.

Devices with a fixed MAC address will connect automatically after this registration.
